Chiedere al fabbricante se è richiesto un tipo di lama diverso.

Consult manufacturer if a different kind of blade is needed.

Coperchi di protezione per le lame

La maggior parte delle lame, quando non usate, possono essere protette con dei coperchi per evitare ferite.
I coperchi sono forniti con le lame o in confezioni da 10 pezzi (*).
Quando rimossi dalle lame, i coperchi possono essere immagazzinati per mezzo del loro dado o di una catenella.

Blade protection covers

Most blades, when not in use, can be protected with covers to prevent injury.
Covers are supplied with blades or in packs of 10 pieces (*).
When removed from the blades, the covers can be stored by means of their nut or chain.
